

CS3398 Teamwork peer evaluation:

- This rubric will be used by each team member to evaluate each of their teammates after the final SRS has been submitted (you will receive an email with instructions later).
- The instructor **may** use the results of this evaluation to determine a fair distribution of the points your team earned for the team project..
- Your individual responses will be kept private. Team totals, however, may be used by the instructor to support a decision to distribute points.

Element	Weak=1	OK=2	Solid=3	Strong=4
Produces research information for the team	Does not collect any information that relates to the project.	Collects very little information, or only some that relates to the project.	Collects basic information related to the project.	Collects a great deal of relevant information related to the project.
